

KICK UP YOU HEELS! SUMMER IS FINALLY HERE!!

Rocky Mountain Iberian Horse Club has some very important news to announce. Now, if you are like me, you dislike long emails. So getting to the point, there are three brief items which need your attention.

- 1 Yeah! Our web site is almost done-www.rmihc.org. It should be up and running this weekend. It will include a detailed calendar of all events, meeting, and shows. Your help is needed to finally complete this project. Send us any news, information, and particularly, photos to vpfurness@msn.com or morin@springsips.com.
- 2 **If you are planning on joining RMIHC, but have procrastinated, join now and receive one free stall for the weekend at the Regional show August 29-30 at the Douglas County Fairgrounds, Castle Rock, CO!** Existing members are already entitled to a free stall.
- 3 There is still time to sponsor the RMIHC Regional show. We would be deeply appreciative if you could locate a sponsor within the next few weeks.
If so, please contact:
